How to Help a Cupid Sue Fliess, 2022-01-04 Valentine's Day is all about showing kindness to the most important people in your life—and if you're caring and thoughtful, you can help Cupid spread love and happiness, too! Will you spot a Cupid this Valentine's day? If you do, will you be ready to help him spread love and kindness? By being observant, helpful, and friendly, you can lend Cupid a hand, and together you can make special cards and gifts to show all your favorite people how much they mean to you. So, grab some supplies—stickers, markers, crayons, colored paper, glue, and whatever else you like (it's the thought that counts on Valentine's Day!)—and think of heartfelt messages to share with your loved ones. Then be ready to meet Cupid and work together to spread cheer and happiness! Sue Fliess's poetic read-aloud text and Simona Sanfilippo's vibrant, whimsical illustrations will provide joy for young readers eager to help Cupid share the love! Also included are guides for teachers and parents about how to engage children in making Valentine's Day cards and how to interest them in the history of the holiday, the mythology behind the winged messenger Cupid, and the value of being thoughtful and kind to everyone.

[The Artful Year](#) Jean Van't Hul, 2016-11-15 Celebrating the seasons provides a wonderful opportunity to embrace creativity together as a family. It's also a fun way to decorate for, prepare for, and learn about the holidays we celebrate. In *The Artful Year*, you'll find a year's worth of art activities, crafts, recipes, and more to help make each season special. These artful explorations are more than just craft projects—they are ways for your family to create memories and mementos and develop creatively, all while exploring nature, new ideas, and traditions. The book includes: • Arts and crafts, using the materials, colors, and themes of the season • Ideas and decorations for celebrating the holidays together • Favorite seasonal recipes that are fun for children to help make (and eat!) • Suggested reading lists of children's picture books about the seasons and holidays The 175+ activities in this book are perfect for children ages one to eight, and for creating traditions that appeal to all ages.

The Humane Gardener Nancy Lawson,2017-04-18 In this eloquent plea for compassion and respect for all species, journalist and gardener Nancy Lawson describes why and how to welcome wildlife to our backyards. Through engaging anecdotes and inspired advice, profiles of home gardeners throughout the country, and interviews with scientists and horticulturalists, Lawson applies the broader lessons of ecology to our own outdoor spaces. Detailed chapters address planting for wildlife by choosing native species; providing habitats that shelter baby animals, as well as birds, bees, and butterflies; creating safe zones in the garden; cohabiting with creatures often regarded as pests; letting nature be your garden designer; and encouraging natural processes and evolution in the garden. The Humane Gardener fills a unique niche in describing simple principles for both attracting wildlife and peacefully resolving conflicts with all the creatures that share our world.

Adventuring Together Greta Eskridge,2020-07-14 A modern, practical, and inspiring guide to creating deep heart connections with kids by regularly creating new experiences and intentional adventures together. Parents today complain of fragmented relationships with their kids. What parents yearn for--and their kids too--is deep, heart-to-heart connections. But how can parents compete with all the other noise fighting for their kids' attention? The answer, says Greta Eskridge, is to break free from regular routines and familiar comforts of home to experience new places and adventures--even if those adventures go awry. From simply reading a book together to going on an overnight backpacking trip, activities together provide unique and crucial bonding opportunities. Adventuring Together highlights Greta's stories of doing just that, including an array of ideas for outdoor and indoor ventures, what to do when your finances are limited, and how to adventure if your family can't hit the hiking trail or spend the night at a campground. Giving readers the tools to make adventures happen, Adventuring Together is a step-by-step guide for parents--whether in the city or the country--to start building connections today that will last a lifetime.

Cupid's Match Lauren Palphreyman,2019-10-01 He's mythologically hot, a little bit wicked, and almost 100% immortal. And he'll hit you right in the heart . . . Miss Black, we have a big problem.” Lila Black doesn't believe in matchmaking, let alone soul mates. So then why is she constantly being hassled by the Cupids Matchmaking Service? But this gilded, cherub-bedecked dating agency isn't exactly what it seems . . . and it's about to turn Lila's entire world upside down. It turns out that Cupids Matchmaking is the real deal. As in, it's run by actual cupids—who don't look at all like they do in the paintings—and they have a serious problem with Lila's “match.” Because this guy shouldn't be in the system. He shouldn't have a match. And while he's irresistibly hot, he's also incredibly dangerous. Because Lila's true love match is Cupid. The original bad boy of love. And he wants her. Now Lila's once-normal teenaged world has exploded into a mythological nightmare overrun by crime-lord sirens, wrathful cupid hit men, magic arrows that cause no end of trouble, and a mischievous, not-so-angelic love god she can't seem to stop herself from falling for . . . Adored by 50 million readers on Wattpad, Lauren Palphreyman's smash-hit book is now in print for the first time.

Everyday Sketching and Drawing Steven B. Reddy,2018-04-19 Everyday Sketching and Drawing offers an easy-to-follow, 5-step formula, which teaches beginner-friendly techniques for learning the skills necessary to make drawing and sketching an everyday habit. For those who have always wanted to or tried and failed to learn to draw it provides simple step-by-step instruction, plus easy-to-follow practice exercises, and provides the motivation and inspiration readers need to be successful. For those who already draw, Everyday Sketching and Drawing offers another technique to add to their drawing arsenal. Why do so many adults come to view drawing as difficult or fraught with anxiety? Traditional art instruction is often bogged down with jargon, rules, and admonishments that unintentionally stifle the joy of drawing for its own sake. Steven Reddy's new and easy approach to drawing instructs sketchers to document their unique and compelling lives in realistic yet playful sketches that record the places, spaces, and objects that help define them as individuals. He reminds artists to slow down, notice, and attend to the sketch-worthy scenes and subjects that are unstaged and always there in our everyday lives. He offers a versatile technique that can lead to a skill that fills sketchbooks with the visual details that differentiate one life from another. This approach is a meditative, relaxing alternative to academic concerns about perspective, proportion, and accuracy. Reddy encourages artists to capture in whimsical but detail-specific illustrations their unique, subjective interpretation of their visual surroundings. Steven Reddy's drawing method produces extremely detailed and realistic scenes of objects and scenes in everyday life in a relatively short period of time (60 minutes to 3 hours or more, depending on the sketcher's preference). Modifying a technique utilized by Old Master oil painters, the drawings pass through 5 clearly articulated stages where each step focuses on one visual concept at a time.

Dinner César Aira,2015-10-06 Was it a nightmare—the result of a bad case of indigestion—or did something truly scary happen after dinner in the Argentine town of Coronel Pringles? One Saturday night a bankrupt bachelor in his sixties and his mother dine with a wealthy friend. They discuss their endlessly connected neighbors. They talk about a mysterious pit that opened up one day, and the old bricklayer who sometimes walked to the cemetery to cheer himself up. Anxious to show off his valuable antiques, the host shows his guests old windup toys and takes them to admire an enormous doll. Back at home, the bachelor decides to watch some late night TV before retiring. The news quickly takes a turn for the worse as, horrified, the newscaster finds herself reporting about the dead rising from their graves, leaving the cemetery, and sucking the blood of the living—all somehow, disturbingly reminiscent of the dinner party.
