One More Step Rachel Wojo,2015-10-20 “We’ve all had situations in our lives where we just couldn’t see how we’d make it through another day. With this book, you’ll be encouraged and lifted up by Rachel, a friend who understands how to seek God’s strength and healing in the midst of the pain!” —Lysa TerKeurst, author of *It’s Not Supposed to Be This Way* Learn to overcome obstacles—one step at a time through your faith in God. Life often sends hard things our way: illness, financial struggles, broken relationships, and so many kinds of loss. Sometimes we can’t imagine a way forward. So how do we keep going when everything is going wrong? Rachel Wojo has learned that hope rises to greet us when we find the strength to take One. More. Step. Like you, Rachel has faced experiences that crushed her dreams of the perfect life: a failing marriage, a daughter’s heartbreaking diagnosis, and more. In this book she transparently shares her pain and empathizes with yours, then points you to the path of God’s Word, where you’ll find hope to carry you forward. *One More Step* gives you permission to ache freely—and helps you believe that life won’t always be this hard. No matter the circumstances you face, through these pages you’ll learn to: · run to God’s Word when discouragement strikes · replace feelings of despair with the truth of Scripture · persevere through out-of-control circumstances and gain a more intimate relationship with Jesus Rachel identifies the reasons you may be tempted to quit and shows you where to find the courage to keep going, one step at a time. You’re not alone. So don’t give up. God won’t let you down. That’s a promise.

I Choose Brave Katie Westenberg,2020-08-04 What if fear is the new brave? That's the question that you need answered if you are living afraid. Finding courage begins with fear itself--fear of the Lord. I Choose Brave reveals a countercultural plan to help you where you are--knee-deep in fears of parenting, the future, your marriage, and a world that feels unstable. When you're feeling fearful, the last thing you need is a social-media meme telling you to simply power through your fears. In I Choose Brave, Katie Westenberg digs deep into Scripture and shows that finding the courage to overcome our fears must start with fear of the Lord. Hundreds of passages speak to this foundational truth, yet we have somehow relegated them to antiquity. In sharing her own compelling story of facing her worst fear, Katie serves up theological truth with relatable application. In this book, you will · discover a fresh take on an old truth that displaces fear once and for all · understand why the culture's idea of fearlessness is a farce · access the holy courage you were made for With this new knowledge comes tremendous freedom. Hidden in the cleft of the Rock, the One truly worthy of our fear, you will begin to understand the only path to real courage.
