Mermaids and Martinis Hilary Pereira,2012-04-24 Don't host a party-host a memory. Everyone loves to throw the perfect party-the one all your friends talk about. Today, everyone is searching for ways to save and still do the things they love in a big way, and almost everyone is craving for creative ideas and solutions to celebrate their lives in a big way-on a tiny budget. New York party-planner Hilary Pereira has happily played hostess and rolled out the red carpet for celebrities such as Jerry and Jessica Seinfeld, Kanye West, Josh Duhamel, Helen Hunt, Vanessa Carlton, Allison Krauss, Helena Christensen, Jane Krakowski, John Legend, Nigel Barker and Danity Kane-just to name a few. And as much as she loves hosting wonderful parties for celebrities, her favorite fetes are the ones she hosts for family and friends. *Mermaids & Martinis* is a book to teach you creative ways to economize, but also to remember to turn your party into a memory. You may be asking yourself: Why a Mermaid? Look no further than this quote from Louisa May Alcott to capture the essence of our main character: She was one of those happily created beings who please without effort, make friends everywhere and take life so gracefully and easily that less fortunate souls are tempted to believe that such are born under a lucky star.

But on a trip to the farm, Grandma shows Little Critter why thankfulness is so important and helps make any situation seem so much happier. Based on Psalm 107:1, this book will show children what gratitude is and why we should be thankful for all of the blessings God has given us. *Features & Benefits:* Little Critter® brand has humorously portrayed issues kids face for almost 40 years Faith-inspired message shows kids how to be thankful for the things they have More than 150 million Little Critter books sold

Sitting Pretty Rebekah Taussig,2020-08-25 A memoir-in-essays from disability advocate and creator of the Instagram account @sitting_pretty Rebekah Taussig, processing a lifetime of memories to paint a beautiful, nuanced portrait of a body that looks and moves differently than most. Growing up as a paralyzed girl during the 90s and early 2000s, Rebekah Taussig only saw disability depicted as something monstrous (*The Hunchback of Notre Dame*), inspirational (*Helen Keller*), or angelic

(Forrest Gump). None of this felt right; and as she got older, she longed for more stories that allowed disability to be complex and ordinary, uncomfortable and fine, painful and fulfilling. Writing about the rhythms and textures of what it means to live in a body that doesn't fit, Rebekah reflects on everything from the complications of kindness and charity, living both independently and dependently, experiencing intimacy, and how the pervasiveness of ableism in our everyday media directly translates to everyday life. Disability affects all of us, directly or indirectly, at one point or another. By exploring this truth in poignant and lyrical essays, Taussig illustrates the need for more stories and more voices to understand the diversity of humanity. *Sitting Pretty* challenges us as a society to be patient and vigilant, practical and imaginative, kind and relentless, as we set to work to write an entirely different story.
