The House on Mango Street Sandra Cisneros,2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all

walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. "In English my name means hope," she says. "In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros's masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis's *Main Street* or Toni Morrison's *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one's story and of being proud of where you're from.

Provence Style Shauna Varvel,2021-06-15 An intimate tour of quintessential Provencal style, featuring chic homes and interior details inspired by this picturesque region Thirty years after the publication of Peter Mayle's bestselling memoir A Year in Provence, the sun-drenched southern French region continues to excite home decorators with its combination of rustic charm, elegant details, and historical influences. Provence Style showcases the best of the region, with Shauna

Varvel's quintessential 18th-century Rhône valley farmhouse--Le Mas des Poiriers--as its centerpiece. Named for the working pear orchard on the grounds, the property was reimagined by noted local architect Alexandre Lafourcade, who transformed a rough structure into a luxurious expression of the Provençal aesthetic, referencing historical influences, rural traditions, and Parisian taste. Set amid a garden of allées, arbors, and terraces designed by the architect's mother, renowned landscape designer Dominique Lafourcade, this exemplar of Provençal style is the starting point for exploring the region's characteristic interior details and exterior features. The book includes chapters on the public spaces of the home, from entrances to living rooms, the private realm of bedrooms and bathrooms, and outdoor areas including patios and kitchen gardens, transporting the reader on a captivating stylistic journey.

The Things They Carried Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Abundance Annie Dillard, 2016-03-15 Pulitzer Prize-Winning Author In recognition of her long and lauded career as a master essayist, a landmark collection including her most beloved pieces and some rarely seen work, rigorously curated by the author herself “Annie Dillard’s books are like comets, like celestial events that remind us that the reality we inhabit is itself a celestial event.”—Marilynne Robinson, *Washington Post Book World* “Annie Dillard is, was, and will always be the very best at describing the landscapes in which we find ourselves.”—Minneapolis Star Tribune “Annie Dillard is a writer of unusual range, generosity, and ambition. . . . Her prose is bracingly intelligent, lovely, and human. ”—Margot Livesey, *Boston Globe* “A writer who never seems tired, who has never plodded her way through a page or sentence, Dillard can only be enjoyed by a wide-awake reader,” warns Geoff Dyer in his introduction to this stellar collection. Carefully culled from her past work, *The Abundance* is quintessential Annie Dillard, delivered in her fierce and undeniably singular voice, filled with fascinating detail and metaphysical fact. The pieces within will exhilarate both admiring fans and a new generation of readers, having been “re-framed and re-hung,” with fresh editing and reordering by the author, to situate these now seminal works within her larger canon. *The Abundance* reminds us that Dillard’s brand of “novelized nonfiction” pioneered the form long before it came to be widely appreciated. Intense, vivid, and fearless, her work endows the true and seemingly ordinary

aspects of life—a commuter chases snowball-throwing children through neighborhood streets, a teenager memorizes Rimbaud’s poetry—with beauty and irony, inviting readers onto sweeping landscapes, to join her in exploring the complexities of time and death, with a sense of humor: on one page, an eagle falls from the sky with a weasel attached to its throat; on another, a man walks into a bar. Reminding us of the indelible contributions of this formative figure in contemporary nonfiction, *The Abundance* exquisitely showcases Annie Dillard’s enigmatic, enduring genius, as Dillard herself wishes it to be marked.
