The Vintage Edward Frederic Benson, 1898 Nauplia, huddled together on the edge of its glittering bay, and grilled beneath the hot stress of the midsummer noon, stood silent as a city of the dead. Down the middle of the main street, leading up from the quay to the square, lay a scorching ribbon of sunshine, and the narrow strips of shadow, sharp cut and blue, spoke of the South. Along one side of the square ran the barracks of the Turkish garrison of occupation, two-storied buildings of brown stone, solid but airless, and faced with a line of arcade. These contained the three companies of men who were stationed in the town itself, less fortunate in this oven of heat than the main part of the garrison who held the airier fortress of Palamede behind, overlooking the plain from a height of five hundred feet.

The Ponson Case (Musaicum Vintage Mysteries) Freeman Wills Crofts, 2021-05-07 When the dead body of Sir William Ponson is found in a nearby river, he is presumed to have died due to drowning. A Vintage Year R. T. Eggimann, 2005-09 This is a story about two best friends who set out with a pauper's budget on an amazing journey through the jungles of Mexico, sailing the Caribbean, hitch hiking across North America and sojourning through Europe, the Greek Isles and beyond. Their adventure took place in the mid seventies when the world was still innocent enough to let two free spirits soar. Uncanny coincidences, close calls and good fortune will draw you into this true story told from the unique perspective of naive youth in a care free world.

The Vintage E. F. Benson, 2016-01-19 Part I THE VINEYARD Chapter I THE HOUSE OF THE ROAD TO NAUPLIA Nauplia, huddled together on the edge of its glittering bay, and grilled beneath the hot stress of the midsummer noon, stood silent as a city of the dead. Down the middle of the main street, leading up from the quay to the square, lay a scorching ribbon of sunshine, and the narrow strips of shadow, sharp cut and blue, spoke of the South. Along one side of the square ran the barracks of the Turkish garrison of occupation, two-storied buildings of brown stone, solid but airless, and faced with a line of arcade. These contained the three companies of men who were stationed in the town itself, less fortunate in this oven of heat than the main part of the garrison who held the airier fortress of Palamede behind, overlooking the plain from a height of five hundred feet. Down the west side stood the quarters of the officers, and opposite, the prison, full as usual to

overflowing of the native Greeks, cast there for default of payment to the Turkish usurers of an interest of forty or fifty per cent. on some small loan; for these new Turkish laws of 1820 with regard to debt had made the prisons more populous than ever. A row of shops and a couple of cafés along the north struck a more domestic note.

Anticipation Tanya Moir, 2013-03-01 This rich and darkly funny novel is about family history and the risk and power of knowledge. 'I want to tell you a story about my mother, although of course it is also mine - inherited, along with dangly earlobes and a horror of deep water.' Janine's mother had an obsession: her ancestry. But what she uncovered was a colourful assortment of characters and their penchant for cruelty and abuse. When her mother dies, Janine continues the genealogical search. She buys a run-down house on a tiny island, where she sits and writes up the stories of her forebears, worrying whether the damaging genes have been passed on. Meanwhile the builder, Jake, is erecting a jetty for her, and it is his presence, along with Janine's discovery about her grandfather, that might offer her hope of redemption. Startlingly original and superbly written, Tanya Moir's surprising new book asks how much we really want to know about our futures

and our pasts.

Lilith (Musaicum Vintage Classics) Ada Langworthy Collier, 2020-12-17 Lilith is a rendition of the old rabbinical legend of Lilith, the first woman, whose life story was dropped unrecorded from the early world, and whose home, hope, and Eden were passed to another woman. The author warns us in her preface that she has not followed the legend closely. In her hands, Lilith becomes an embodiment of mother-love that has existed forever, and it is her name that lends its itself to the lullabies repeated to young children. The author not only freely changes the legend of Lilith, but is free with the unities of her own story. It is full of internal inconsistencies in narrative, and anachronisms. The legend is to the effect that God first created Adam and Lilith, equal in authority; that the clashing this led to was so great, that Lilith was cast out from Eden, and the marital experiment tried again, on a different principle, by the creation of Eve.

Days of Vintage, Years of Vision Midge Sherwood, 2007-08-31 Days of Vintage, Years of Vision is the living, breathing story of one of the most important periods in American history. This three-volume series records the development of the State of California from its admission into the Union in 1850 to the turn of the 20th Century. It is a family narrative that chronicles both the personal and political lives of those who settled the southern section to bring in railroads, build harbors, and establish a world commercial centre that would one day send favorite sons to the White House. The author skillfully presents this family within the context of the times of not only the State, but the country and the world. The story evolves with the lives of Benjamin D. Wilson and his sons-in-law, George Smith Patton, Sr. father of the famous General and James De Barth Shorb, whose San Marino Ranch once the queen property of Southern California is today the site of the Huntington Library, Art Galleries and Botanical Gardens. Volume I narrates the Los Angeles arrival of Wilson in 1841, a former Indian trader who became the new community's first elected mayor and was twice-elected State Senator. Quiet, unassuming, committed to honor and duty, Wilson established a harbor, railroad facilities, a university and other advancements to secure his city's place on the world map as a cultural and commercial center. Mt. Wilson was named for him in appreciation and recognition of all that he did for the State. James De Barth Shorb arrived in San Francisco in 1864 with the first oil excitement and joined Wilson to manage his 14,000-acre San Pasqual ranch that extended from the foothills of Mt. Wilson to what is today the City of Alhambra. He became a member of Wilson's family by marrying his first daughter, Sue. He began a relentless political career, plunging into every major aspect of the State's development after the death of Wilson in 1878. Volume II continues the Shorb narrative in 1879. He could have become Governor of the State, had he only accepted the nomination, but he, himself, admitted that his hands were full. Not only was he the father of nine children, but he was busy with his many business and civic endeavors. He built the largest winery in the world, helped develop water and irrigation projects, and was very influential in the establishment of laws governing such in the agricultural State of California. Shorb also pioneered an interurban railroad, the forerunner of Huntingtons network throughout Southern California. The Patton family is also introduced in Volume II. They arrived in 1865 as Civil War refugees. George Patton grew up in Los Angeles, became the city's district attorney, and developed a reputation as an explosive, fiery orator, who could hold a political convention of The Democracy spellbound for two hours. He married Wilson's daughter, Ruth, in 1884, and their son, George Smith Patton Jr., born November 11, 1885, was destined to become the famous World War II General. Volume III continues the narrative of this unusually vigorous and visionary family in 1889. Times were hard in the fin de siècle of the 19th Century, and they faced

an awesome political battle to keep Los Angeles Harbor at San Pedro. The opposition? Collis P. Huntington, determined to establish the harbor at Santa Monica. This battle, recorded in national headlines, would call forth all of Pattons political energy. However, Volume III begins with more than hard times. While retaining the reverent spirit, the celebration of Thanksgiving Day in 1889 included a remarkable event. Heralded as the great Valley Hunt, a wildcat and fox hunt consisted of a hunting party of nearly 50 prominent members, and featured Shorbs famous hounds, the Australian blues. As a result of this successful activity, December 12, the president of the Valley Hunt Club wrote an article in the Los Angeles Times suggesting: A tournament

The After House (Musaicum Vintage Mysteries) Mary Roberts Rinehart, 2021-05-07 Ralph Leslie, a young doctor by professor, signs on as a private helper on a yacht. Soon the yacht is rocked with sensational triple axe-murders and Leslie is the only person who can inspire trust in the crew. But who is the killer? How will he get caught now? Excerpt: The yacht Ella lay in the river not far from my hospital windows. She was not a yacht when I first saw her, nor at any time, technically, unless I use the word in the broad sense of a pleasure-boat. She was a two-master, and, when I saw her first, as dirty and disreputable as are most coasting-vessels. Her rejuvenation was the history of my convalescence. On the day she stood forth in her first coat of white paint, I exchanged my dressing-gown for clothing that, however loosely it hung, was still clothing. Her new sails marked my promotion to beefsteak, her brass rails and awnings my first independent excursion up and down the corridor outside my door, and, incidentally, my return to a collar and tie.

Old Los Angeles and Pasadena in Vintage Postcards C. Milton Hinshilwood, Elena Irish Zimmerman, 2001-02-15 Covering the history and geography of Los Angeles and Pasadena between 1900 and 1950, the collection of over 200 vintage postcards compiled in this new volume offers a unique glimpse into turn-of-the-century southern California. As communication by postcards became popular in the late 19th century, those who received them were offered a rare view of the right here, right now aspect that only postcard photography could offer. From the earliest images of the Angels' Flight in Los Angeles, to the Tournament of Roses parades gliding down Colorado Street, the authors celebrate the history of these two beautiful cities through the personal medium of vintage postcards.
