Fierce Marriage Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Secrets of the Baby Whisperer Tracy Hogg, Melinda Blau, 2001-06-01 "TRACY HOGG HAS GIVEN PARENTS A GREAT GIFT--the ability to develop early insight into their child's temperament." --Los Angeles Family When Tracy Hogg's *Secrets of the Baby Whisperer* was first published, it soared onto bestseller lists across the country. Parents everywhere became "whisperers" to their newborns, amazed that they could actually communicate with their baby within weeks of their child's birth. Tracy gave parents what for some amounted to a miracle: the ability to understand their baby's every coo and cry so that they could tell immediately if the baby was hungry, tired, in real distress, or just in need of a little TLC. Tracy also dispelled the insidious myth that parents must go sleepless for the first year of a baby's life--because a happy baby sleeps through the night. Now you too can benefit from Tracy's more than twenty years' experience. In this groundbreaking book, she shares simple, accessible programs in which you will learn: • E.A.S.Y.--how to get baby to eat, play, and sleep on a schedule that will make every member of the household's life easier and happier. • S.L.O.W.--how to interpret what your baby is trying to tell you (so you don't try to feed him when he really wants a nap). • How to identify which type of baby yours is--Angel, Textbook, Touchy, Spirited, or Grumpy--and then learn the best way to interact with that type. • Tracy's Three Day Magic--how to change any and all bad habits (yours and the baby's) in just three days. At the heart of Tracy's simple but

profound message: treat the baby as you would like to be treated yourself. Reassuring, down-to-earth, and often flying in the face of conventional wisdom, *Secrets of the Baby Whisperer* promises parents not only a healthier, happier baby but a more relaxed and happy household as well.

Sanna provides an empathetic exploration of the adjustment to a new land that all migrants experience.--New York Times Book Review “Authentic and immediate, the first-person narration draws in readers and reveals just how easily fear can become overwhelming and isolating, but can also be controlled when feelings are shared and through comfort found in friendship. Like Sanna’s *The Journey*, this book about an immigrant’s experiences tackles a tough topic with honesty, empathy, and a sense of hopefulness.”—School Library Journal, STARRED REVIEW “This follow-up to *The Journey* about a refugee family fleeing a war-torn homeland, focuses on the young daughter’s apprehension as she adjusts to life in a new country and a new school.”—The Horn Book Review [...] this creative depiction shows how friendship, empathy, and connection can help bring the overwhelming down to size for all. —Publishers Weekly, STARRED REVIEW “A universal book that can be used to explain fear to readers and give empathy to those in a new environment.” —Kirkus Reviews “It will be a familiar story for many children, but the girl’s specific fears about language and difference might make this useful for discussions about newcomers as well.” —Booklist When a young immigrant girl has to travel to a new country and start at a new school, she is accompanied by her Fear who tells her to be alone and afraid, growing bigger and bigger every day with questions like how can you hope to make new friends if you don't understand their language? The Journey Frenci Sanna, 2016-09-13 . . . a wonderful teaching tool for those who are welcoming refugees into their community.—The New York Times With haunting echoes of the current refugee crisis this beautifully illustrated book explores the unimaginable decisions made as a family leave their home and everything they know to escape the turmoil and tragedy brought by war. This book will stay with you long after the last page is turned. From the author: The Journey is actually a story about many journeys, and it began with the story of two girls I met in a refugee center in Italy. After meeting them I realized that behind their journey lay something very powerful. So I began collecting more stories of migration and interviewing many people from many different countries. A few months later, in September 2014, when I started studying a Master of Arts in Illustration at the Academy of Lucerne, I knew I wanted to create a book about these true stories. Almost every day on the news we hear the terms migrants and refugees but we rarely ever speak to or hear the personal journeys that they have had to take. This book is a collage of all those personal stories and the incredible strength of the people within them.

Nanny Confidential Philippa Christian, 2015-01-01 When Lindsay Starwood moved from her tiny home town to the bright lights of Melbourne, she had no idea that her after-school babysitting job would turn into a career. Her boss was Steven Stavros, the nineties boy-band heartthrob more famous of late for his extramarital activities than his hit records. However, word soon got out about the Australian nanny who was great with kids, cool in a crisis and capable of keeping the secrets of the rich and famous tightly under wraps. But being a celebrity nanny isn't the Mary Poppins fantasy you might imagine. When Lindsay finds herself caring for the six (yes, six!) daughters of fame-hungry reality television star Alysha Appleby, her

patience is pushed to the limit. Will dashing pro-golfer Tommy Grant restore Lindsay's faith that wealth can go hand in hand with kindness? Or will she have to choose between the children she loves and her own happiness? With a cast of millionaires ripped straight from the headlines, this is a fast-paced, outrageous novel for anyone who loves gossip, glamour and a sneak peek into the unbelievable world of a nanny to the stars.

See-Through Marriage Ryan Frederick, Selena Frederick, 2020-05-05 Marriage is all about sharing: sharing space, sharing joys and sorrows, sharing hopes and dreams. Yet we often hold back a part of ourselves because we fear that being wholly transparent--about our past, our desires, our failures, our faults--will bring judgment, rejection, or even just unwanted friction to our relationship. We are afraid to be fully known. As a result, we never experience being fully loved. Fierce Marriage authors Ryan and Selena Frederick think your marriage deserves better. In this new, paradigm-shifting book, they show you how to develop a see-through marriage, one that is marked by full transparency and confident vulnerability. Through personal stories, testimonies from other couples, and biblical truth, they make the case that living authentically in front of each other is the only way to experience love the way we were designed to. If you desire an honest, no-holding-back marriage where you are fully known, fully accepted, and fully loved, you need this book.
