*The Christmas Project Planner* Kathi Lipp, 2019-10-01 Ready or Not, Christmas Is Coming Christmas—whether you really love it, secretly dread it, or fall somewhere in between—shows up the same time every year, as unavoidable as your aunt’s fruitcake. But next season, don’t stress your “elf” out. Be ready with this amazing planner designed to help you get a handle on the holidays. Stay organized (and sane) when you put expectations aside and choose to focus on the things you truly want to do during Christmas. You’ll be amazed at what you can accomplish with just a little more organization and less obligation. The simple projects in this book will help you stay on schedule so you can spend more time enjoying your friends and family instead of frantically trying to cobble Christmas together at the last minute (again). You can do this! Let clutter-free queen Kathi Lipp show you how.

*Simplify Your Holidays* Marcia Ramsland, 2008 What sets this planner apart is a day-by-day plan that breaks every task into manageable pieces and a daily devotional journal that encourages a spirit of praise, not panic.

**The Wise Men Journey Searching for the King** Lynette Meintjes, Emily vandenHeever, 2018-06-25 The Wise Men Journey is an invitation to guide your family, for twenty-five days, in discovering the hidden treasures in the Word of God. John 1:9 says: The One who is the true light, who gives light to everyone, was coming into the world. How incredibly amazing, to know that the King of Heaven came into the world so that you can know Him because you are valuable in His eyes. Love came down from Heaven at Christmas, to find His resting place in the hearts of all mankind. This is a Christmas love story you don’t want to miss. Through creative story telling of the Christmas Bible story, short devotions for interaction and prayer, you can guide your family on a joyful journey filled with new excitement. Join the wise men every evening as a family on this twenty-five-day journey, searching for The King.

**Calm Christmas and a Happy New Year** Beth Kempton, 2024-10-29 Shares strategies for achieving an authentic, meaningful, and stress-free holiday season, providing holistic guidelines for late November through early January for setting and achieving prioritized, mindful seasonal goals.

Whether you make a stylish tech cover, a cushy study pillow, or a personalized quilt, your teen will love these handmade gifts as much as you love them. • 21 projects, specifically for teens and tweens (ages 11+), including quilts, T-shirts, tech covers, totes, accessories, and so much more • Lots of inspiring ideas and designs for the perfect gifts • Get the 411 on what's cool when it comes to fabric and style—so that your teen is sure to love what you make!
