John Wieland

My Ideal Bookshelf Thessaly La Force, 2012-11-13 The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In *My Ideal Bookshelf*, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

Creative Thinking Journal Shawn Gold, 2020-05-07 Creative thinking requires you to change how you think. More than that, creativity requires you to change how you think about thinking. This journal is filled with engaging, creative challenges meant to spark your imagination by prompting you to think in new and unique ways. Each challenge pushes you to rethink how you see yourself and the world around you to uncover new possibilities and ideas. You don't have to be high on cannabis to use this journal though we encourage it as a way to enhance creative flow. You can also try meditation, exercise, music, nature, math, poetry, love, religion, sex, fasting, sleep, play, yoga, mysticism, aromatherapy, baths, dancing, magnets, and space travel.

Uncommon Courtesy Jennifer M Wood, 2011-04-18 This book is the short slap to the back of the head most people need nowadays. In a world that's more likely to flip the bird than hold the door, it's their reminder of proper behavior. You'll receive a (re-)schooling in manners with lessons split up by situation, then tackled by topic. Each note corrects conduct that's become all too common, like . . . Bad Behavior: Popping a piece of gum into your mouth midconversation, and stressing your point by snapping it. Courteous Fix: If you're going to have a piece of gum while talking to someone, be sure to offer your companion a piece--and keep your mouth closed as you chew. You want your breath to be fresh. Not your attitude. It's a reminder that it wasn't always out of place to be polite.

The Uncommon Prayer-Book (Fantasy and Horror Classics) M. R. James, 2016-01-18 M. R. James was born in Kent, England in 1862. James came to writing fiction relatively late, not publishing his first collection of short stories - *Ghost*

Stories of an Antiquary (1904) - until the age of 42. Modern scholars now see James as having redefined the ghost story for the 20th century and he is seen as the founder of the 'antiquarian ghost story'. We are republishing these classic works in affordable, high quality, modern editions with a brand new introductory biography of the author.

Beauty & the Beast Robert Sabuda, 2010-10-19 Even more innovative than his last, Robert Sabuda will captivate all with his latest pop-up masterpiece, *Beauty & the Beast!* True love blooms in this three-dimensional adaptation of a beloved fairy tale. Amazing paper structures and classically styled artwork lead readers through a magical tale. Magnificent pop-ups of a life-like Beast, a mysterious castle and a spectacular rose garden make this all-new pop-up masterpiece a must-have for your family's library.

Uncommon Grounds Mark Pendergrast, 2010-09-28 The definitive history of the world's most popular drug. *Uncommon Grounds* tells the story of coffee from its discovery on a hill in ancient Abyssinia to the advent of Starbucks. Mark Pendergrast reviews the dramatic changes in coffee culture over the past decade, from the disastrous Coffee Crisis that caused global prices to plummet to the rise of the Fair Trade movement and the third-wave of quality-obsessed coffee connoisseurs. As the scope of coffee culture continues to expand, *Uncommon Grounds* remains more than ever a brilliantly entertaining guide to the currents of one of the world's favorite beverages.

Searching for the Uncommon Common Ground Angela Glover Blackwell, Stewart Kwoh, Manuel Pastor, 2002 A wide-ranging and in-depth discussion of the persistently divisive issues surrounding race in this country.

Uncommon Gifts James Stewart Evans, 1998 This story of victory carries a special message for all those who face life with learning disabilities, as well as for those who love them. Like millions of Americans, James Evans suffers from Dyslexia and also from Attention Deficit Hyperactivity Disorder (also known as hyperkinesia). Though born into a nurturing family, Evans still fought a lonely battle against self-hatred, rage, and deep emotional wounds. He gives readers a clear picture of what goes on inside the minds of people who cannot sit still, who struggle to read, who stutter, and whose behavior is generally disruptive. This story reveals his journey from brokenness to a tidier life of caring for others and his discovery that the grace of God can transform our greatest weaknesses. It provides teachers, family, and friends of people with these disorders valuable insights for better understanding them.

Uncommon Beauty in Common Objects Nkiru Nzegwu, 1993

Uncommon Type Tom Hanks, 2017-10-17 A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive

assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

The Book of Uncommon Prayer Steve L. Case, 2002

The Uncommon Reader Alan Bennett, 2007-09-18 From one of England's most celebrated writers, a funny and superbly observed novella about the Queen of England and the subversive power of reading. When her corgis stray into a mobile library parked near Buckingham Palace, the Queen feels duty-bound to borrow a book. Discovering the joy of reading widely (from J. R. Ackerley, Jean Genet, and Ivy Compton-Burnett to the classics) and intelligently, she finds that her view of the world changes dramatically. Abetted in her newfound obsession by Norman, a young man from the royal kitchens, the Queen comes to question the prescribed order of the world and loses patience with the routines of her role as monarch. Her new passion for reading initially alarms the palace staff and soon leads to surprising and very funny consequences for the country at large. With the poignant and mischievous wit of *The History Boys*, England's best loved author Alan Bennett revels in the power of literature to change even the most uncommon reader's life.

Living an Uncommon Life John St. Augustine, 2006-08-01 At the lowest point in his life, living in a motel room with his wife and two children, John St. Augustine undertook a journey of a thousand miles, walking from northern Michigan to Chicago—and back—a journey that became one of discovery, and a chance for St. Augustine to reinvent himself. It was on this walk that the inspiration was born for a radio show that would be a positive voice in a world saturated by cynicism. Upon his return, despite having no prior radio experience, a local station gave him a chance: one hour a week for five weeks... Ten years and 5,000 guests later St. Augustine is living his dream, and, like *The Seven Habits of Highly Effective People®*, *Living an Uncommon Life* offers a roadmap for reaching your own dreams. St. Augustine discovered a pattern in the lives of the exceptional personalities with whom he has crossed paths including Oprah Winfrey, John Denver, Walter Payton, Wayne Dyer and others. Each of them refused to let negative circumstances dictate their life. Instead they found the inner strength to achieve great things. St. Augustine insists we all share these remarkable traits and in *Living an Uncommon Life* he offers powerful principles for unlocking your strengths and achieving your personal best.

Uncommon Threads John Wieland, 2021-08-18 John Wieland is the first to admit his success is baffling. When an average joe turns a bankrupt company into a 30-branch business that now earns over \$300 million in revenue and gives 10% of the company profits to ministries across the world, Wieland is the first to ask the question anyone who knows him is asking: how did that happen? His conclusion: business, family and faith affect each other in ways that few realize. Unlike many books that discuss faith, Wieland never preaches perfection. It's his honesty about his own struggles-between worship and human instinct, between sacrifice and indulgence, between sharing his love of God with others and appreciating people right where they are-that makes Uncommon Threads so unique. In it, Wieland uses the lens of his own life to tackle important topics such as hypocrisy, racism, abortion, parenting, religion and even what happens when you take someone into your home only to later find out that he shot a lady in the head and left her for dead. In the end, Wieland shows that family, business and faith are inescapably woven together and that the lessons you learn growing up can provide the values that serve you well throughout the rest of your life. His is the story of a life well-spent-thanks to its blending together of family, business and faith. The combination of self-deprecating tales of his foibles and touching moments of inspiration received from both his successes and failures make Uncommon Threads a must read.

What Brothers Do Best Laura Numeroff, 2012-07-25 This delightful board book by renowned author-illustrator team Laura Numeroff and Lynn Munsinger celebrates all the wonderful things brothers can do!
