Lean Fall Stand Jon McGregor,2021-09-21 A thrilling and propulsive novel of an Antarctica expedition gone wrong and its far-reaching consequences for the explorers and their families leaves the reader moved and subtly changed, as if she had become part of the story (Hilary Mantel). Remember the training: find shelter or make shelter, remain in place, establish contact with other members of the party, keep moving, keep calm. Robert 'Doc' Wright, a veteran of Antarctic surveying, was there on the ice when the worst happened. He holds within him the complete story of that night—but depleted by the disaster, Wright is no longer able to communicate the truth. Instead, in the wake of the catastrophic expedition, he faces the most daunting adventure of his life: learning a whole new way to be in the world. Meanwhile Anna, his wife, must suddenly scramble to navigate the sharp and unexpected contours of life as a caregiver. From the Booker Prize-longlisted, American Academy of Arts & Letters Award-winning author of *Reservoir 13*, this is a novel every bit as mesmerizing as its setting. Tenderly unraveling different notions of heroism through the rippling effects of one extraordinary expedition on an ordinary family, *Lean Fall Stand* explores the indomitable human impulse to turn our experiences into stories—even when the words

may fail us.

The patio can also serve to seperate the daytime area from the night-time one, or ensure that an outdoor space can be enjoyed free from prying eyes. Flea Market Chic Liz Bauwens, Alexandra Campbell, 2012-02-09 Fleamarket Chic is the smart way to decorate now, adding texture, color, and depth to contemporary interiors. In modern rooms, a distressed chair or a vintage mirror adds a perfect finishing touch. And in traditional decorating schemes, fleamarket chic is a key part of the mix: faded textiles, weathered furniture, mis-matched china, and the occasional flamboyant lamp or work of art are all part of the charm. Of course, Fleamarket Chic is about saving you money, along with recycling, upcycling, and repurposing. But it's also about a sense of history and place, about individuality, and creating a home that reflects your life and personality. Every piece in a Fleamarket Chic interior has a story: the colorful pitcher you found at a garage sale, the vintage telephone you reclaimed when a favorite aunt finally bought a modern handset, the little chair you found in a county junk store, or the old trash cans that have been converted into fashionable zinc planters. In *Fleamarket Chic*, we'll show you how to spot the clever find in a pile of junk, where to look and how to negotiate, how to smarten up (and when not to smarten up) second-hand items, and how to re-discover and re-use things you or your family already have.
