Mike Ashcraft, Rachel Olsen

One Word for Kids Jon Gordon, Dan Britton, Jimmy Page, 2019-11-05 From the authors who created the One Word movement, impacting schools, businesses, and sports teams around the world, comes a charming fable that can be read and shared by everyone. If you could choose only one word to help you have your best year ever, what would it be? Love? Fun? Believe? Brave? It's probably different for everyone. How you find your word is just as important as the word itself. And once you know your word, what do you do with it? In *One Word for Kids*, bestselling author Jon Gordon—along with coauthors Dan Britton and Jimmy Page—asks these questions to children and adults of all ages, teaching an important life lesson in the process. This engaging, fully illustrated fable follows Stevie, a young boy falling asleep on the first day of school. His teacher gives the class an assignment: to find the one word that will help them have their best year ever. To discover their one word, they must look inside themselves, look up, and look out. At home, Stevie is upset because he can't find his word. After his dad offers some helpful advice, Stevie excitedly begins the quest for his word. His search helps him discover a lot about himself, what he loves, and what is important to him. An easy read with a powerful message, *One Word for Kids* appeals to readers of all ages and is an ideal entry point into discussing a valuable lesson in a fun and engaging way.

My One Word Mike Ashcraft, Rachel Olsen, 2012 The concept of My One Word is simple. Lose the long list of resolutions--all your sweeping promises to change--and do something about one thing this year instead of nothing about everything. Choose just one word that represents what you most hope God will do in you, and focus on it for an entire year. This single act will force clarity and concentrate your efforts. As you focus on your word over an extended period of time, you position yourself for God to form your character at a deep, sustainable level. Growth and change will result. Author Mike Ashcraft, who has led his megachurch through this My One Word project for more than five years, and Proverbs 31 Ministries author and speaker Rachel Olsen, who has lived it, are encouraging, insightful, good-humored, yet realistic in this enjoyable read. Their stories of growth and change through My One Word will keep you motivated. Throughout the book you'll also find words and stories of people just like you who have joined the My One Word movement and discovered the power of just one word. Includes discussion questions for use with the small-group video curriculum, *My One Word: A DVD Study* (sold separately).

Never Too Old to Get Rich Kerry E. Hannon, 2019-06-25 Start a successful business mid-life When you think of

someone launching a start-up, the image of a twenty-something techie probably springs to mind. However, Gen Xers and Baby Boomers are just as likely to start businesses and reinvent themselves later in life. *Never Too Old to Get Rich* is an exciting roadmap for anyone age 50+ looking to be their own boss and launch their dream business. This book provides up-to-date resources and guidance for launching a business when you're 50+. There are snappy profiles of more than a dozen successful older entrepreneurs, describing their inspirational journeys launching businesses and nonprofits, followed by Q&A conversations, and pull-out boxes containing action steps. The author walks you through her three-part fitness program: guidelines for becoming financially fit, physically fit, and spiritually fit, before delving more deeply into how would-be entrepreneurs over 50 can succeed. • Describes how you can find capital to start your own business • Offers encouraging stories of real people who have become their own bosses and succeeded as entrepreneurs • Written by PBS Next Avenue's entrepreneur expert, Kerry Hannon • Teaches you how to start your own business *Never Too Old to Get Rich* is the ideal book for older readers looking to pursue new business ventures later in life.

Chasing God's Glory Dorina Lazo Gilmore-Young, 2023-04-11 A unique and delightful children's book about how God's glory can be found all around us every day, from the award-winning author of *Cora Cooks Pancit*. "Mama, what exactly is glory?" When Zayla asks her mom to describe God's glory, Mama knows it's time for an adventure! Together, Mama and Zayla discover how sunrises and dancing, daffodils and green peppers, kind words and loving hugs—and more!—are all reminders of God's glory. Award-winning author Dorina Lazo Gilmore-Young's rich multicultural story and Alyssa De Asis's vibrant artwork make *Chasing God's Glory* a unique invitation to notice and celebrate the radiance of God's light and love as you and your family become "glory chasers."

The Best We've Been Beth K. Vogt, 2020-05-05 How can you choose what is right for you when your decision will break the heart of someone you love? Having abandoned her childhood dream years ago, Johanna Thatcher knows what she wants from life. Discovering that her fiancé was cheating on her only convinces Johanna it's best to maintain control and protect her heart. Despite years of distance and friction, Johanna and her sisters, Jillian and Payton, have moved from a truce toward a fragile friendship. But then Johanna reveals she has the one thing Jillian wants most and may never have—and Johanna doesn't want it. As Johanna wrestles with a choice that will change her life and her relationships with her sisters forever, the cracks in Jillian's marriage and faith deepen. Through it all, the Thatcher sisters must decide once and for all what it means to be family.

One Word that will Change Your Life Dan Britton, Jimmy Page, Jon Gordon, 2012-12-03 One Word is a simple concept that delivers powerful life change! In 1999, the authors discovered a better way to become their best and live a life of impact. Instead of creating endless goals and resolutions, they found one word that would be their driving force for the year. No goals. No wish lists. Just one word. Best of all . . . anyone, anytime can discover their word for the year. One Word that will

Change Your Life will inspire you to simplify your life and work by focusing on just one word for this year. That's right! One Word creates clarity, power, passion and life-change. The simple power of One Word is that it impacts all six dimensions of your life - mental, physical, emotional, relational, spiritual, and financial. Simply put, One Word sticks. There is a word meant for you and when you find it, live it, and share it, your life will become more rewarding and exciting than ever. Join thousands of people and hundreds of schools, businesses, churches, and sports teams who have found their one word . . . and discover how to harness the transformational power of One Word. The book includes a personal Action Plan and simple process to help you discover your word for the year.

Global Librarianship Martin A. Kesselman, Irwin Weintraub, 2004-07-23 Providing new insights into the role of librarianship in an age of socioeconomic, environmental, and political transformation, *Global Librarianship* illustrates how globally networked environments promote and increase the sharing and dissemination of ideas, information, and solutions to obstacles affecting libraries. This reference showcases methods

Focus: How One Word a Week Will Transform Your Life Cleere Cherry, 2020-09-07 What if your focus shifted from the things you weren't getting right toward making one good change a week? In these 52 devotions, Cleere Cherry encourages you to be intentional about renewing your mind without attempting to be perfect or set unrealistic expectations. Just think: what if you let the word grace seep into your everyday life for seven straight days. You wrote it on post-it notes and put them on your fridge, in your car, at your desk, by your bed. The entire week you focused on responding to every situation with grace, no matter what. You think, I can't believe he just cut me off. Then you think remember grace. You think, Why isn't she listening to me? Then you hear a whisper, don't forget grace. For one week you focus on grace, the next week you focus on gentleness, the next week you focus on forgiveness. one word per week for an entire year. Before you know it, you're no longer worried about being perfect, but more excited about having a closer connection to God and living a life free from perfectionism, free from being pulled in different directions, and more attuned to your love for God and for others.

Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves

again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Christian Minimalism Becca Ehrlich, 2021-05-17 Ehrlich's insightful self-help guide will resonate with Christians wishing to streamline an overstuffed life.—Publishers Weekly Logically, we all know our purpose in life is not wrapped up in accumulating possessions, wealth, power, and prestige—Jesus is very clear about that—but society tells us otherwise. *Christian Minimalism* attempts to cut through our assumptions and society's lies about what life should look like and invites readers into a life that Jesus calls us to live: one lived intentionally, free of physical, spiritual, and emotional clutter. Written by a woman who simplified her own life and practices these principles daily, this book gives readers a fresh perspective on how to live out God's grace for us in new and exciting ways and live out our faith in a way that is deeply satisfying.

The Artist's Way Julia Cameron, 2002-03-04 With its gentle affirmations, inspirational quotes, fill-in-the-blank lists and tasks — write yourself a thank-you letter, describe yourself at 80, for example — *The Artist's Way* proposes an egalitarian view of creativity: Everyone's got it.—The New York Times Morning Pages have become a household name, a shorthand for unlocking your creative potential—Vogue Over four million copies sold! Since its first publication, *The Artist's Way* phenomena has inspired the genius of Elizabeth Gilbert and millions of readers to embark on a creative journey and find a deeper connection to process and purpose. Julia Cameron's novel approach guides readers in uncovering problems areas and pressure points that may be restricting their creative flow and offers techniques to free up any areas where they might be stuck, opening up opportunities for self-growth and self-discovery. The program begins with Cameron's most vital tools for creative recovery - *The Morning Pages*, a daily writing ritual of three pages of stream-of-consciousness, and *The Artist Date*, a dedicated block of time to nurture your inner artist. From there, she shares hundreds of exercises, activities, and prompts to help readers thoroughly explore each chapter. She also offers guidance on starting a "Creative Cluster" of fellow artists who

will support you in your creative endeavors. A revolutionary program for personal renewal, *The Artist's Way* will help get you back on track, rediscover your passions, and take the steps you need to change your life.

Work Simply Carson Tate, 2015-01-02 Make work simple by using the tools and tactics that are right for you Your time is under attack. You just can't get enough done. You find yourself wondering where the hours go. You've tried every time-management system you can get your hands on—and they've only succeeded in making your work more complicated. Sound familiar? If you sometimes feel you spend more time managing your productivity than doing actual work, it's time for a change. In *Work Simply*, renowned productivity expert Carson Tate offers a step-by-step guide to making work simple again by using the style that works best for you. Tate has helped thousands of men and women better manage their time and become more productive. Her success owes partly to the realization that most of us fit into one of four distinct productivity styles: Arrangers, who think about their projects in terms of the people involved; Prioritizers, who are the definition of "goal-oriented"; Visualizers, who possess a unique ability to comprehend the big picture; and Planners, who live for the details. In this book, you'll learn How to identify your own productivity style as well as the styles of those around you—bosses, coworkers, staff, and family. How to select your "tools of the trade" to maximize your effectiveness, from the style of pen you use to the way you decorate your office. When face-to-face conversations are more effective than e-mails—and vice versa. What it takes to lead the perfect meeting. Why a messy desk is right for some, but a disaster for others—and how to tell. After reading *Work Simply*, you'll come away with a productivity system that truly and fundamentally fits you—and you'll never feel overwhelmed again.

How to Avoid a Climate Disaster Bill Gates, 2021-02-16 #1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this

book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

Off the Clock Laura Vanderkam, 2018-05-29 I well recall a conversation with an executive I hoped to interview about her astonishing productivity. I began our call with an assurance that I would not take much of her time. She laughed. 'Oh, I have all the time in the world,' she said. Most of us feel constantly behind, unsure how to escape feeling oppressed by busyness. Laura Vanderkam, unlike other time-management gurus, believes that in order to get more done, we must first feel like we have all the time in the world. Think about it: why haven't you trained for that 5K or read War and Peace? Probably because you feel beaten down by all the time you don't seem to have. In this book, Vanderkam reveals the seven counterintuitive principles the most time-free people have adopted. She teaches mindset shifts to help you feel calm on the busiest days and tools to help you get more done without feeling overwhelmed. You'll meet people such as... ♦ An elementary school principal who figured out how to spend more time mentoring teachers, and less time supervising the cafeteria ♦ An executive who builds lots of meeting-free space into his calendar, despite managing teams across multiple continents ♦ A CEO who does focused work in a Waffle House early in the morning, so he can keep an open door and a relaxed mindset all day ♦ An artist who overcame a creative block, and reached new heights of productivity, by being more gentle with herself, rather than more demanding The strategies in this book can help if your life feels out of control, but they can also help if you want to take your career, your relationships, and your personal happiness to the next level. Vanderkam has packed this book with insights from busy yet relaxed professionals, including time makeovers of people who are learning how to use these tools. Off the Clock can inspire the rest of us to create lives that are not only productive, but enjoyable in the moment.

Good Chemistry Julie Holland, 2020-06-16 A psychiatrist and psychedelic researcher explores the science of connection—why we need it, how we've lost it, and how we might find it again. We are suffering from an epidemic of disconnection that antidepressants and social media can't fix. This state of isolation puts us in "fight or flight mode," deranging sleep, metabolism and libido. What's worse, we're paranoid of others. This kill-or-be-killed framework is not a way to live. But, when we feel safe and loved, we can rest, digest, and repair. We can heal. And it is only in this state of belonging

that we can open up to connection with others. In this powerful book, Holland helps us to understand the science of connection as revealed in human experiences from the spiritual to the psychedelic. The key is oxytocin—a neurotransmitter and hormone produced in our bodies that allows us to trust and bond. It fosters attachment between mothers and infants, romantic partners, friends, and even with our pets. There are many ways to reach this state of mental and physical wellbeing that modern medicine has overlooked. The implications for our happiness and health are profound. We can find oneness in meditation, in community, or in awe at the beauty around us. Another option: psychedelic medicines that can catalyze a connection with the self, with nature, or the cosmos. Good Chemistry points us on the right path to forging true and deeper attachments with our own souls, to one another, and even to our planet, helping us heal ourselves and our world.

New Year, New Planet Marina Simcoe, 2023-09-07 Double date to celebrate a new year on the planet Neron sounds like an adventure, especially when my blind date belongs to the little-known alien race of Aldraians. As a steward of a luxury yacht, most of my adult life has been spent traveling. Now that I'm the lead flight attendant of a spaceship, the new year's celebration finds me on an entirely new to me planet, Neron. My blind date, the alien from the planet Aldrai, is huge, strong, and slightly intimidating. But he also turns out charming and easy-going, with an intriguing secret tail that he keeps hidden from view. I sense Greyx is what the heartache is made of. And I avoid taking risks in my life. Including risking my heart. When fate brings us together again, whole hell breaks loose. Crazy, impossible things start to happen and now, there's nothing I can do to stop the life as I know it from spinning out of control. Nothing is safe about my life anymore. I find myself in a mysterious facility on a dying planet. It's run by green, four-legged aliens with sinister motivations. And I'm not sure about Greyx's involvement in their scheme. Can I trust him to get me out of this? Can I afford not to? Do I even have a choice? _____ All books in My Holiday Tails series stand alone, loosely connected by the same world and the fact that all heroes have tails. The books in this series can be read in any order. _____ Contains graphic scenes of intimacy. Intended for mature readers.
