The Garden Party Katherine Mansfield, 1922

The Garden Party Grace Dane Mazur, 2018-07-10 A rehearsal dinner brings together two disparate families in this sparkling, witty novel “This vital novel offers delicious echoes of Virginia Woolf and E. M. Forster, and a touch of *A Midsummer Night’s Dream*—but its magic is unique. *The Garden Party* is beautiful and full of life.”—Claire Messud, author of *The Burning Girl* and *The Woman Upstairs* The Cohens are wildly impractical intellectuals—academics, activists, and artists. The Barlows are Wall Street Journal-reading lawyers steeped in trusts and copyrights, golf and tennis. The two families are reserved with and wary of each other, but tonight, the evening before the wedding that is supposed to unite them in marriage, they will attempt to set aside their differences over dinner in the garden. As Celia Cohen, the eminent literary critic, sets the table, her husband, Pindar, would much rather be translating ancient recipes for his Babylonian cookbook than hosting this rehearsal dinner. Meanwhile, their son, Adam, the poet (and nervous groom), wonders if there is still time to simply elope. One of Adam’s sisters, Naomi, a passionate but fragile social activist, refuses to leave her room, while Sara, scorpion biologist turned folklore writer, sits up on the roof mourning an imminent breakup. And Pindar’s elderly mother, Leah, witnesses everything, weaving old memories into the present. The lawyers are early: patriarch Stephen Barlow and his bespangled wife, Philippa, who specializes in estates, along with Philippa’s father, Nathan, hobbled by age and Lyme disease. Then come the Barlow sons William (war crimes), Cameron (intellectual property), and Barnes (the prosecutor), each with desperate wife and precocious offspring. How could their younger siblings—Eliza, the bride, an aspiring veterinarian, and her twin brother, Harry, recently expelled from divinity school—have issued from such a family? Up and down the dinner table, with its twenty-four (or is it twenty-five?) guests, unions are forming and dissolving while Pindar is trying to figure out whether time is really shaped like baklava, and off in the surrounding forest with its ancient pond different sorts of mischief will lead to a complicated series of fiascoes and miracles before the party is over. Set over the course of a single day and night, Grace Dane Mazur’s brilliantly observed novel weaves an irresistible portrayal of miscommunication, secrets, and the power of love. “Lyrical and charming, this comedy of errors is a delightful summer read.”—People

The Garden Party and Collected Short Stories Katherine Mansfield, 2018-11-13 When her wealthy family prepares to host

a lavish summer party, the young, hitherto sheltered Laura Sheridan suddenly feels a kinship with the staff and the helpers hired to set up the venue for the festivities. As she learns of the death of one of their working-class neighbours, this burgeoning sense of class consciousness is heightened by a realization of her own mortality. Published in 1922, at the height of literary modernism, 'The Garden Party' is now considered one of the key texts of that movement. This volume, which also includes a wide selection of Katherine Mansfield's other short stories, is an invaluable resource for anyone wishing to discover one of the early twentieth century's finest writers.

The Town in Bloom Dodie Smith, 2012-03-15 A determined young Lancashire girl arrives in London intent on a stage career - this tale from the author of *I Capture the Castle* is told with the candour and authenticity that derives from Dodie Smith's own experience of the theatre world. Mouse never did fully suit her nickname. Tiny she may have been, but timid never. After less than twenty-four hours in London she had bluffed her way into an audition at a famous theatre, infuriated its forceful young stage director, and amused its kind if quite amoral actor-manager. She had finally landed not a part but a toehold as a junior secretary. During her involvement in the engrossing affairs of the Crossway Theatre she met her friends Molly, a baby-faced six-footer; and elegant, ambitious Lilian, who was fated to clash disastrously with Mouse. Later, there was also Zelle, rich, generous, enigmatic, and responsible for an outing to Suffolk village pageant which proved a turning point for them all. Life was always surprising the fearless Mouse: when she unexpectedly got to a chance to act she made an unforgettable impression, though not the one she had intended. However, nothing prepared her for the assault of first love, highly unsuitable, but welcomed by her in a way which was to have far-reaching consequences. Only when she looks back after a reunion luncheon does she realise the full effects of that shared summer on her friends and herself. A startlingly frank yet nostalgic read, this is a charming novel about coming of age and the healing effects of time.
