**Houses: Atelier AM** Alexandra Misczynski,Michael Misczynski,2019-05-21 Following up on their much-heralded first volume of interiors, this new publication presents the next evolution of Atelier AM--virtuosos of mixing antiques and museum-quality artworks with pedigreed design. Alexandra and Michael Misczynski, the wife-and-husband team behind the Los

Angeles-based AD100 design firm Atelier AM, are standard-bearers for the...concepts of quality and connoisseurship. In an image-driven culture, where novelty and extravagance so often masquerade as virtues, the Misczynskis remain steadfast in their belief that true style can emerge only from substance. --Architectural Digest Atelier AM has been the go-to designers for true connoisseurs since they opened their office in 2002. Taking on very few projects each year, each Atelier AM home is a complete masterwork--where design and art are fully integrated into the architecture and landscape for a rich and immersive experience. Eight new homes are featured in this new volume, and each features Atelier AM's signature reverence for patina mixed with the new: reclaimed wood beams and well-loved vintage modern furniture pieces mingles comfortably with century-old artifacts and antiques. The projects in this volume show a deep understanding of design history--from Spanish Colonial and English Classicism to contemporary. The mix of modern and ancient acknowledges and celebrates both the past and the future of design. With photography by their long-term collaborator Francois Halard, and insightful texts by Mayer Rus, Houses: Atelier AM promises to be as rich and satisfying as an Atelier AM home itself.

[The Scandinavian Home](#) Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of

stunning interiors will put Scandi style within every reader's reach.
